Foreword

I would like to invite all contributors/sponsors for our upcoming AGM, a weekend seminar on 22nd of June 2013, to join us in the spirit of UNITY and with a hope of getting and being recognized as a new medical Association for the awakening of our fellow medical practitioners here in Malaysia.

As for the need for more CMEs and also medical updates from all the concerned party involved in the medical business world and it's ever dynamic range of pharmaceuticals products, MPCAM would like to be part of the collaborators and also contribute to the medical healthcare quality and improvement for our country.

To all the contributors for the success of our AGM weekend seminar, we would like to say a big thank you in advance and we hope the collaborations between us and the contributors/sponsors does not end here but rather a continual process and progress are encouraged to grow alongside with us in our future undertakings.

On behalf of the doctors of MPCAM, we thank you and look forward to your favorable reply.

Yours truly,

Dr Jim Loi
